Governor Dodge State Park Winter Trail Guide

Ski Trails

Lakeview Ski Trail is a 1.25-mile loop trail designed for less experienced skiers. The trailhead is at the Cox Hollow beach picnic area. Less experienced skiers may wish to walk down the first grade and start skiing on the opposite side of the first bridge. The trail is wooded, offers a few hills, a secluded valley and a nice view of Cox Hollow Lake. Follow the light blue trail markers. (Ski time: .5 hour)

Mill Creek Ski Trail is a 3.3-mile loop trail that begins at the Cox Hollow beach picnic area. The trail winds through meadows and wooded valleys. It provides spectacular views of both Cox Hollow and Twin Valley lakes. You will encounter several steep grades, but the majority of the trail is quite level. Follow the purple trail markers. (Ski time: 1 hour)

Meadow Valley Ski Trail is a 5.0-mile loop trail that begins at the Cox Hollow Beach picnic area or at the Meadow Valley Trailhead. The trail is more difficult than the Mill Creek trail due to its steeper down grades. The trail passes through open meadows and wooded ridges. Follow the brown trail markers. (Ski time: 2.5 hours)

Lost Canyon Ski Trail is a 3.0-mile loop trail that starts at the Stephens Falls parking area. You will encounter one steep grade on this trail. Follow the orange trail markers. (Ski time: 1 hour)

Hiking Trail

Pine Cliff Trail is a wooded 2-mile loop trail which begins and ends at the Enee Point picnic area. Signs interpret area history, wildlife, vegetation, and ecology. While hiking the trail you will encounter several steps, steep grades, and rocky surfaces. Hikers will enjoy the scenic views above Cox Hollow Lake and the hike along the lake shore. Follow the green trail markers. (Hike time: 45 minutes to 1 hour)

Snowshoe Areas

Uplands Trail is a 2.5-mile loop trail that begins about .25 mile northeast of the park office. Pass through rolling hills, prairies, and woods and around an agricultural field. This trail is open for snowshoeing, hiking, and for visitors with leashed pets. Follow the magenta trail markers.

Snowmobile Trail

The **Snowmobile Trail** is a 15.3-mile loop trail that winds its way through some of the most scenic and remote areas of this 5,350-acre park. At the southeast corner of the park, there is a snowmobile access trail that connects with the 40-mile Military Ridge snowmobile trail. (Snowmobile time: 1.5 hours).
